

DRUPADI RETREAT

In-touch to your Shiva and Shakti.

Find balance within masculine and feminine part of you

“Shiva” is also known as the masculine energy that brings tranquility and grounding state of mind. And “shakti” is the feminine energy that brings constant dynamic movements and create the colors of life experiences.

When the mind is experiencing balance of the shiva and shakti energy, the body finally experience satisfaction and divine bliss. Awaken the Fire, then flow with sound of Sacred Water

Today you are to allow yourself to connect with the mother Earth and also loving yourself as the divine.
